February 22, 2010

Dear Business Owner,

Hello, my name is Stephen Juliano. I am currently a student at Elizabethtown College in Elizabethtown, PA. As part of my Senior Seminar class that I am currently taking, I have teamed up with the Incorporated Village of Port Jefferson to create a new video to promote Economic Development in the Village.

In order to accomplish this task, I am hoping to interview Port Jefferson business owners and residents. We are currently looking for both Port Jefferson residents and business owners who would like to appear on camera and tell our viewers what they like most about Port Jefferson and why they choose to locate their home or business here in this wonderful town. The video will be highlighting as many residents and business owners as possible. The final piece, a 7 – 10 minute video, will be distributed on DVD to the Port Jefferson Chamber of Commerce, local real estate offices and available for online viewing on The Village of Port Jefferson's website.

Not only is this video a wonderful chance to promote your business, but it is also a chance to help Port Jefferson's economy as a whole. The video will be designed to encourage new economic growth, both in visitation and new development in Port Jefferson. In order to make this a possibility, we need your help! Are you interested in getting involved?

Filming for the project will take place March 8 – 12, 2010, at various times throughout each day. If you would like to get involved in this project, please visit my website, www.StephenJuliano.com and click on "Port Jefferson Project." I look forward to hearing from you. If you have any questions, please contact me at Stephen@StephenJuliano.com or (631) 525-3483.

Sincerely,

Stephen Juliano
